Fall On The Farm 2026 is in the books. What a great evening; time of fun and fellowship, good weather, and just an all around great day. If you missed it, one word...

TREBUCHET!

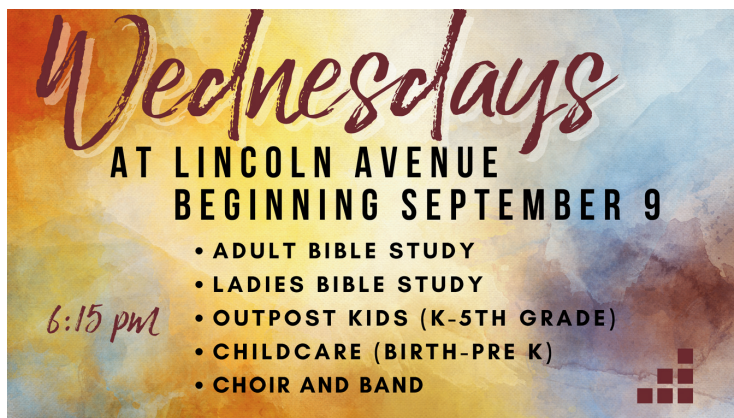

I was also at a Christian creatives conference for a few days that was very interesting and inspiring. Heard much great music, enjoyed Christian art, lots of good conversation... an environment of true things being spoken, sung, read, and portrayed beautifully.

I'm even more glad now for our Christmas season, our traditions, and music and imagery we only use during that season. Think about it. Get ready for it.

But along the way, find something beautiful today, enjoy it and give God thanks for it.

Think on something true from scripture. Dwell on it. Give God thanks for it. Think of someone who needs these things. Pray for them. Then go find a way to have a Gospel conversation with them. That is the most beautiful thing of all.

david
