You don't always see it. You can't always quantify it. You won't even know it's happening sometimes. But He's always working, moving, stirring, waiting, keeping.

The work of the Holy Spirit is always happening. Always. We often equate it with externals; when the music touched our heart in a powerful way, when the sermon was particularly convicting or encouraging, when lots of people move at the response time.

But He's always working! That's helpful, encouraging, and instructive to know.

Here's the thing, though. SOMETIMES YOU CAN SEE IT! Your pastors and staff and deacons have been constantly sharing conversations, ministry opportunities, and gospel centered moments recently. We've been excited seeing visitors, new members, baptisms, and more.

With Christmas season right around the corner and the weather FINALLY feeling like fall, be excited, Lincoln Avenue. Your worship ministry is deep into preparation for *Behold The Lamb Of God*. Your deacons are faithfully serving. Your pastors are encouraged and grateful for you and the Lord's work!

Speaking of Christmas season, plan now to join us December 21 for *Behold The Lamb Of God* at 9AM, and invite your friends and family and our other local churches to join us at 6PM that evening. A couple of additions and special things that will make this year, like every year, very special!
