There is something special about this time of year. As Thanksgiving and Christmas approach, families come together, reminding us just how much better life is when we are together. There is encouragement, strength, laughter, and a sense that when we stand side by side, there is so much more we can accomplish.

The same is true for the body of Christ! God created us for community. We aren't meant to do life alone, but to encourage one another, grow together, and serve Him side by side.

This month, our Kids will be learning that *We Are Better Together, We Are Part of Something Big, We Are Connected, and We Are Stronger as One*. Our theme verse comes from Romans 15:5-6, reminding us to live in harmony with one another so that we may glorify God with one mind and one voice.

We'll wrap up the month with a special Game Changer session, helping kids discover that following Jesus is a game changer in our lives and that we get to follow Him together!

What a wonderful reminder for all of us: We were made for community, and we are better when we walk side by side!
