Beginning Wednesday, February 4 at 6:15pm we'll be starting a new book study that's designed to help every believer grow in confidence and clarity when opening God's Word. We'll be walking together through David Platt's new book, *How to Read the Bible: A Simple Guide to Deeper Intimacy With God*.

Many Christians want to read the Bible faithfully but often feel overwhelmed, unsure where to start, or uncertain how to understand what they're reading. This study is meant to be both practical and encouraging, helping us learn how to read Scripture as it was intended to be read—carefully, faithfully, and with Christ at the center. Platt's book gives us simple tools to understand the Bible's big story, read passages in their proper context, and apply God's Word to our lives without twisting or minimizing its meaning.

Whether you're new to reading the Bible or have been reading it for years, this study will help you deepen your understanding and strengthen your love for God's Word. Our goal isn't just to gain information, but to grow in obedience and trust as God speaks to us through His Word.

I hope you will be able to join us!
