## VBS Volunteers Needed—Now Is the Time!

Vacation Bible School is one of the most impactful outreach opportunities we have as a church; a week filled with energy, truth, and connection, reaching not only the children who attend, but also their families in our community. Year after year, we've seen how God uses VBS in powerful ways.

But a successful VBS doesn't happen on its own.

It takes our entire church family, from teens to senior adults. It takes people willing to serve, encourage, teach, organize, and simply show up with a willing heart. Whether you've helped before or this would be your first time, there is a place for you.

VBS is coming quickly June 1-5 and we are at the point where we can't wait any longer to fill these important roles. If you've been considering helping, now is the time to step forward.

Let's continue the tradition of making VBS a meaningful and welcoming experience for every child and family who walks through our doors. Together, we can make an eternal impact.

**Sign up today and be part of what God is doing through VBS!**
