The end of another school year is almost here. It brings a natural sense of transition, moving from the structure of busy school days into the more relaxed days of summer.

While schedules may change, our need for connection, encouragement, and spiritual growth remains constant.

We invite you to stay connected with our church community throughout the summer months. Join us for weekly services, special events, and opportunities to serve.

Whether you are traveling, enjoying time with family, or settling into a slower pace, remember that God walks with you in every season.

VBS Updates:

Registration is now open so get your kids/grandkids registered. You can go to our website: labcjacksonville.org/events to get them signed up!

Please take a yard sign and place it in your yard to share VBS information with all your neighbors!

And, of course there is always a need for more volunteers. Check out where to serve in the foyer.

Enjoy your summer while staying connected with your LABC family!
