What you have heard from me in the presence of many witnesses entrust to faithful men, who will be able to teach others also. — 2 Timothy 2:2

One of the greatest privileges of pastoral ministry is helping equip others to handle God's Word faithfully. That is why I am excited about the recent launch of our Sunday night Preaching Lab. Each week we've had 15+ men meet to work through *On Preaching* by H.B. Charles Jr. Our goal is not merely to produce better speakers, but to develop Christlike men capable of rightly handling the Word of God and who will be better equipped to preach and teach the Bible to others. It has been encouraging to me to see the enthusiasm, humility, and commitment of those participating.

As part of the lab, 6 participants will be selected to preach on two Sunday evenings coming up in August. These services will provide an opportunity for them to put into practice what they have been learning while allowing our church family to encourage and support them as well. Please join me in praying that God would continue raising up faithful men to teach His Word for generations to come.
