This summer, the kids are learning how to “Live It Out: Discovering How to Love Like Jesus.”

That sounds great in theory—but what does it really mean? And how are we actually supposed to love like Jesus? It definitely sounds easier than it can be to live out.

When we follow Jesus, the Holy Spirit begins to change us from the inside out, shaping us into the people God created us to be. He teaches us how to live our lives for Him. “Live It Out” is more than just a theme—it’s a call to action.

We want kids to actively live out their faith in both their words and their actions. The more they reflect Jesus, the more they can make a real impact in the world around them.

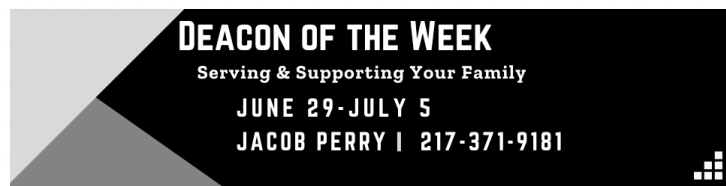

Jesus is the ultimate example of how we should treat and value others. He showed us this through the way He lived His life. He taught us to love one another—and the good news is, we don’t have to do it alone. He gives us the greatest helper: His Spirit.

The Spirit transforms us on the inside so that we can help transform the world around us. We live it out by:

- Treating others the way we want to be treated
- Trusting God no matter what
- Making wise choices with His help

Let’s encourage our kids to not just learn about Jesus—but to live like Him, every day.
