Psalm 126:3 reminds us that "the Lord has done great things for us; we are glad." As we enter into the summer months, there is much for us to celebrate and be thankful for as a church family.

One of those blessings was Church in the Park. It was a joy to gather outside the walls of our building, worship the Lord, enjoy some burgers and a time of fellowship, and be reminded that the church is not merely a place we attend but a people that God has called together.

There's also much to celebrate with Vacation Bible School this week. At the time of writing this, we have 197 total kids who have been registered. It's been a joy to walk up and down the hallways and see so many kids, with so much energy, who are also excited to learn more about Jesus.

As a Church we should always be looking ahead, and planning for what's to come. But it's also equally important to pause from time to time and reflect on the great things the Lord has already done, and on what He's doing right now as well.
