Dear High School Parents and Students:

We are hard at work planning for the next school year. I am writing today to let you know of our plans for our High School Spiritual Emphasis Week. We are planning an interesting week which will focus on the Spiritual needs of our students. Our students will also be involved in the planning process.

As part of the week we will be taking a two night retreat to Jenness Park Christian Camp near Sonora, CA. The dates will be September 19-21. It is a regular school week and all High School students will be expected to be involved. The plan for the week will include the retreat happening Wednesday through Friday preceded by two days of community service on Monday and Tuesday. At Jenness Park we will have a special speaker and music and lots of team building activities.

The cost of the retreat is \$250 per student. As in previous years, the fee will be charged in 4 equal installments - beginning in June and ending in September. Each installment will be \$62.50. As in previous trips of this type, we will be staying in heated cabins, eat our meals together in the cafeteria and enjoy the many activities that Jenness Park has to offer. Transportation will be provided by Charter Pros.

This promises to be an outstanding week and will be a great way in which to kick off the year for our students.

Sincerely,

Derrick Leonard
