2024 -2025 Academic Year

Bethlehem Evangelical Lutheran Church Scholarships

Bethlehem has five separate scholarship awards available to full-time students. The funds are dependent on our members' generosity. Most, but not all, contributions to the scholarship funds come in the form of memorials. The Scholarship Committee disburses the funds in accordance with the guidelines that define each fund. These guidelines are given here.

1. Seminary Scholarship—for Bethlehem members who are or will be enrolled in an ELCA seminary or seminarians attached to Bethlehem as part of their seminary training as Interns.
2. Mattson Memorial Scholarship—for Bethlehem members who are pursuing careers in the fields of medicine/healthcare or church vocations
3. Augustana College Scholarship—for Bethlehem members who are or will be enrolled in Augustana College, Rock Island, IL
4. Christian College Scholarship—for Bethlehem members who are or will be enrolled in an undergraduate program at a church-related college or university
5. General College Scholarship—for Bethlehem members who are or will be enrolled in an undergraduate program at any public or private college or university

Applications for the September 2024 – June 2025 academic year can be found and completed online. Go to the church website at <http://www.bethlehem-chicago.org> then select *Welcome* and then *Bethlehem Scholarships*. Questions can be addressed to the Scholarship Committee at: scholarship@bethlehem-chicago.org

Please note that scholarships are only for members attending college / university and who will be enrolled full time starting September 2024. (The only non-members eligible are full time ELCA seminary students attached to Bethlehem as Interns.)

Awards are decided by the Scholarship Committee shortly after the deadline, announced at the Bethlehem Annual Meeting, and distributed in August.

NOTE THE DEADLINE: Submit by April 8, 2024
