Thursday June 21st there will be a team meeting in the student area at East @ 5:30p with dinner provided for parents and team members.

## Mission

We will be traveling to Puerto Plata, DR. We have three primary missions in Puerto Plata. First, we want to replace a roof on a home for a needy family suffering from hurricane damage. Second, we want to minister in the local orphanage, hospitals, and feeding programs. Third, we want to spread the gospel through one-on-one interactions and through use of our 2 drama teams that will perform "The Redeemer" skit.

## Partners

Cristiano Mashach Ministry will be our partner in Puerto Plata. Pastor Yoni A. Hasbun is the president of the ministry. They do most of their work with church planting and orphan work. They also do feeding programs and light construction.

## Contact

Justin and Will will be the primary contacts for the team, but in case they cannot be reached I have included the contact info for the ministry there.
