

GENEROSITY

Remember this: The person who plants a little will have a small harvest, but the person who plants a lot will have a big harvest. Each of you should give as you have decided in your heart to give. You should not be sad when you give, and you should not give because you feel forced to give. God loves the person who gives happily.

2 Corinthians 9:6-7 (NCV)

There are often times that I'm filled with pride and gratitude for you. This is one of those times.

You were given the opportunity to be generous through WellSpring's Adopt a Youth. So many of you adopted a youth, by purchasing a Bible for them and committing to pray for them.

Not only did every youth we minister to on a regular basis get adopted, but future youth and leaders were adopted as well. Since we started this on Mother's Day, every youth at WellSpring will be receiving a brand new Bible. And as invaluable as that is, your commitment to pray for your student(s) regularly is another amazing expression of your generosity.

We have been learning through our current series — Daring Faith — how important and valuable it is to take bold action trusting the Lord to be faithful to His promises. The verse above reminds us how the Lord is faithful when we step out with generous faith. I would encourage you to wait on the Lord with an expectancy for the Lord to be generous to you. You, of course, didn't adopt a youth for this reason, but it is nevertheless a law of planting and harvesting.

I also want to THANK Michele & Richie Stafford for giving our church family the chance to be generous!

Thank you WellSpring. You're the best!
Thank you Michele & Richie Stafford!
