

TRUST THE REAL JESUS

September 15, 2020

Living life with Jesus doesn't have to feel like the picture above. When you trust in who the Word says Jesus is, you can have confidence. You can have a firm footing.

What Jesus are you trusting in? This is who He says, He is...

I am the Way, the Truth, and the Life.

I am amazing, complete, almighty, excellent,

I am with you, Emmanuel, deliverer

I am the one who is and was and will to come, he is eternal

I am just, mighty, ruler, savior and Lord

I am wonderful, exalted, merciful, without fault

I am the corner stone, the rock, true vine

I am furious. fierce, courageous, brilliant,

extraordinary, breathtaking and beautiful.

I am your strength, and advocate, defender, strong tower and shield

I am counselor, light, healer, hope, refuge from the storm.

I am powerful, loving, wild, restorative, restless, superior, and spotless,

I am victorious, trustworthy and faithful!

I am authentic and true

I am the Messiah, the Son of the Living God and am perfect in all ways!

This is the Jesus you can put your trust in. Don't listen to the voices that tell you anything other than who He says He is.

Stepping off the tight-rope!
