## Good things

Awesome, fantastic, perfect, endearing... just a few of the adjectives I heard to describe the Women's Tea this last weekend. Not only were women raving about the tea, but also the speaker - Robin Tuttle. I think she's pretty awesome myself! For anyone who may not know, Robin is my wife. I already know she has so much good to share, so I'm thrilled that all those who attended this last Saturday got a little taste of it.

Then on Sunday we had a great time in worship and the Word. The Bible has so much to teach us about mercy, and how we receive and offer it to others through the gift of forgiveness!

God always shows up when we get together in His name. He encourages, strengthens and even challenges us to grow into something better than we were before we got there - to grow into someone who more reflects Jesus!

Since the Lord always shows up, all we have to do is show up with an open

heart and a teachable spirit. Knowing that God promises His power and presence when we show up, makes me never want to miss being with God's family. I never want to miss what God is doing in the community of people He's called me to engage.

Let's continue to be committed to come together so we can receive and share the blessing that moment's like the women's tea or Sunday family gatherings provide.

Excited for what God is doing when we get together,

Pastor Scott
