June 2018

Dear Friends,

One of my favorite things about summer is the opportunity to slow down. It is good to take a moment every now and again to pause and reflect on how busy our lives are and to consider what we can do to cut back, simplify and practice Sabbath. At Foothills during this time of year several of our weekly programs take a hiatus in order to start fresh again in the fall. In the spirit of pursuing the simpler side of things, we are pairing down our monthly newsletter for the months of June and July. Instead of our regular layout we've whittled it down to this one page format front and back.

There's still plenty going on in the life of our church and you can continue to find out more information in the weekly email we send out as well as hearing about upcoming activities while at church on Sundays. Right now our nominating committee is finalizing a slate of new leadership positions to bring to the board and then to the congregation for approval by the end of June as we look to begin a new ministry year in July. The new ministry year will get going with a Ministry Table retreat and Elder's retreat to be scheduled later this summer. Coming up this month, children and adults will come together for our Peace Village VBS during the third week of June where we will learn about conflict resolution, mindfulness, connection to nature, and media literacy. Over the next several weeks in worship we will be echoing these same themes through a worship series organized around the same topics in the Peace Village curriculum. I hope to see you on Sunday!

Peace,
Bekah Krevens
