FBC Gatherings of Small Groups

Your Adult Sunday school class, LifeGroups, Committee Meetings, D-Groups, etc. can now gather together! All groups are strongly encouraged to abide by common social distancing practices and will be asked to help sanitize meeting areas before and after gathering.

Additionally, groups will be gathering in FBC's Fellowship Hall or Youth Activity Center to provide more space for social distancing. Be sure to contact Sabrina by email or phone (contact info at bottom of bulletin) to coordinate dates and time so we don't over-schedule a particular space. We will need to communicate well about our entering & exiting strategies when we are on church grounds.

Three Services will begin on Sunday Morning, May 31st, PLUS Live-Streamed Online!

In an attempt to spread out more when we gather, this first step will include conducting three services on Sunday morning - **8:30 traditional, 9:45 and 11:00 contemporary**. In addition, all three services will be live-streamed online via YouTube for those who still wish to worship from home.

For additional details please [Click Here](#) for an email sent by Pastor Chris on Tuesday, May 19th or [click here](#) for the video.

Vacation Bible School Update

It's our desire to provide a safe environment for the students in our community to hear the good news of God's love. As a result, after discussions with our pastoral staff and children's committee chairperson, we have decided to POSTPONE First Baptist's Vacation Bible School until a TENTATIVE date in late July 2020. As we continue to monitor the situation around the spread of COVID-19 and talk with other churches in the community, FBC's leadership will be prayerfully discerning when or if VBS will be held later in the summer. Please be in prayer as we seek God's wisdom and direction.

Children's Camp News - Cancelled

In addition, in light of concerns surrounding current events, FBC will NOT be attending Children's Camp at Latham Springs this summer. If you have paid any monies, you will be issued a full refund.

Youth Summer Camp Update

In efforts to protect our youth and those at risk, FBC Youth will not be attending Highland Lakes Journey Camp this summer. While this is disappointing, we ask that you remain in prayer as we begin making preparations for a Church Camp experience that FBC Lexington will be hosting as a local and less expensive option for our Youth in the midst of the impact of COVID. If you would like a refund of your camp fees or deposit please email Christian, or you may use these funds towards our Church Camp for later this summer. More details to follow!

“What's with the WHITE?”

The **Church Calendar** is a helpful way to order our worship and lives around seasons that tell the story of Jesus. Right now, we're in the season of **Easter** where we celebrate the triumph of God over sin and death in the resurrection of Jesus Christ from the grave. The **WHITE** colors on our crosses represent both the glory of Christ's resurrected body and the white robes of the angels that announced to the women at the empty tomb, “He is not here; he has risen.” (Matt 28:6)
