Dear Sunday Greeters,

Thank you so much for sharing your bright and joyful faces at the doors of our church. Greeters welcome members and guests by opening doors, offering a smile, assisting with questions, and giving a warm hello.

Greeters commit to greet for the entire calendar month. Feel free to make trades or substitutions if you are unable to serve on a Sunday; just let the office know so we can change the Take Home Page. If you would like to greet before special services during Lent or Advent, please let me know and I will happily oblige. Recruiting for special services generally starts about a month before the beginning of the season.

Please arrive to greet at least 15 minutes prior to the service. Pick up your name tag(s) at the Welcome Desk located in the forum. There are ideally 3-4 individuals/families that will greet before each service. Entrances are not assigned so you may have to check which entrance needs attending. Door priorities are listed below. The goal is to have all doors covered. Remain at the doors until service begins and return your name tags to the Welcome Desk. There are no greeter duties after the service. Please let me know if you have any questions. Again, thank you so much for your willingness to serve.
