# Memorandum

**To: Parents of 8<sup>th</sup> Grade Weekday School Students**

**From: Wade Johnson**

**Subject: Acolyte Schedule for December 25, 2016 – April, 2017**

Thanks for your parental role in seeing that your child is regularly at worship, and special thanks for making sure your child is here on those Sundays when he/she serves as an acolyte.

Opportunities to serve as an acolyte from December 2016 through April 2017 are listed on the back of this sheet. Every effort has been made to schedule students at the worship time consistent with their expressed preference. In addition, every effort has been made to have students serve an equal number of times based on their worship preference. Over two thirds of the class selected early as their preference so I interlaced them in late service so those that listed late were not on the schedule every other week. Thanks again for your help in covering all the services.

**Please Note: If an acolyte is unable to serve on a Sunday for which he/she has been scheduled, that person is to find a replacement and call the church office so we can print the correct name in the Sunday bulletin.**

A list of class members, together with each student's phone number(s), is printed below under their preferred service time.
