Crazy times! I hope that everyone is doing well. At this point, all of our regular gatherings and events have been postponed/cancelled. We will continually monitor the situation and let you know what are plans are.

We are doing this because:

- We are loving our neighbors by protecting our neighbors.
- We are not fearful. We are being responsible.
- This is what love requires of us in this situation.

If you are not able to get out and there is something that you need, please let us know.

If you have prayer requests, please let us know.

If you have any questions, please let us know.

The best way to get in touch with us is by email: atlanticcoastchurch@gmail.com

If you missed this week's gathering - the teaching can be found by clicking the link at the bottom of this email. You can go to Facebook page: Atlantic Coast Church-- and watch the music and teaching.

You can also go to our YouTube channel: Atlantic Coast Church -- and watch just the teaching.

I encourage you to take the time to follow along with our teaching series. We just finished week eight of our ten-week series that is walking through the life of Jesus from the time that he stepped onto the scene as an adult at his baptism until the crucifixion. You can follow the whole series from week one on our YouTube channel.

Last Sunday was an unique experience. It is not easy teaching to an empty building. I am so thankful that when the band finished playing that they stayed and gave me some faces to look at. The response to the gathering online has been incredible. Several hundred people watched "live" and others are watching this week as they are able to set aside the time. We have received feedback from people in at least five states.

We will be "live" again this Sunday morning at 9:00 am. Make your plans now to join us.

If you would like to give your offering there are two ways that we recommed:

- You can mail your check to:

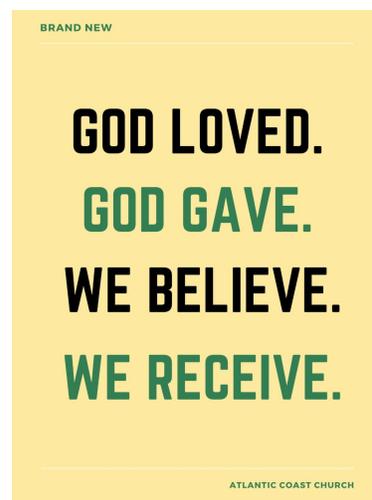

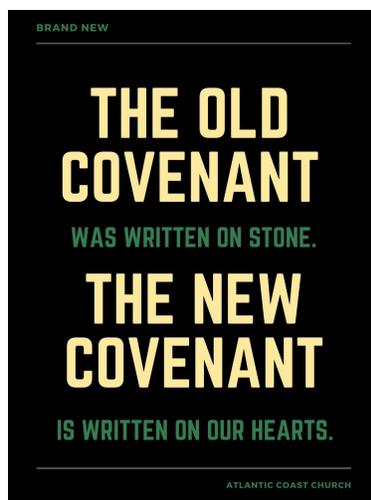

Atlantic Coast Church
P.O. Box 1243
New Smyrna Beach, FL 32170

- You can give online on our new church app. Text Jen Griffin at 386-689-5135. She is the one who built the app and she can walk you through it.

While we cannot be "at" church - we can still "be" the church. Check on your neighbors. Call/text several people a day to see how they are doing. We need to hear each other's voices. Say "thank you" to cashiers and business people who you come into contact with. Be generous with the people who serve you in

restaurants - even if it is drive through. Pray for those locally and in our nation who have huge decisions to make.
