Our Beach Baptism has been rescheduled to this coming Sunday, October 18, at 6:00 pm at the 27th Avenue Beach Park. After you park your car go down on to the beach and walk about 50 yards south.

If you have any questions about this please email us back and let us know.

It is time for the annual Volusia Thanksgiving Basket Brigade. This is a group of churches, civic organizations and businesses and individuals who come together each year to feed several thousand families at Thanksgiving.

You can pick up the boxes and supply list in the green building at church starting next Monday, October 19, from 8:00 am until 4:00 pm Monday through Saturday. You can also pick them up on Sunday from 7:00 am until 10:00 am. You can do more than one box and you can feel free to take extra boxes if you people whom you work with that would want to help.

The boxes do not have to be returned until the week of November 13-20. You return them here to the church.

As with everything else, COVID has made an impact on this as well and it is VERY IMPORTANT that you follow the directions.

For more information, you can go to www.volusiathanksgivingbasketbrigade.com or check them out on their Facebook page.

Our church goal this year is 100 boxes. Let's do this!

Also, if you know of a family who is in need of receiving one of these boxes, please let us know.

This past Saturday at Open House we had so much fun seeing our church family. Our next opportunity is on Friday, November 6. We will be showing the movie – Captain America – outside on a big screen. There is no charge for this. You will need to bring your own chair/blanket. You will also need to bring your own food, snacks and drink.

THREE THINGS WE LEARNED

“

The thing that Jesus prayed for more than anything else was that His followers would be unified.

It was the teaching of Jesus - not any political party - that laid the ground work for our modern sense of justice, fairness, and the dignity of every person.

Why settle for something temporary when Jesus promises something eternal?
