

Gospel Lights

February 2018

This month will be all about love and friendship in our classroom. We are starting it off on a good note too, just coming off earning all our drops in our class bucket for good behavior and kind words and actions. Our letter books are coming along nicely as we are officially half way! I hope you are seeing more alphabet knowledge and eagerness to write letters at home too! Jesus time this month will be all about His miracles. You can follow along at home since I am going right from the Bibles we handed out in the Fall.

Valentines Party

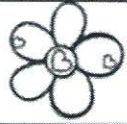

Please have your child bring enough Valentines for each friend in our class. It will make passing them out easier if you do not put individual names on them! We will have a bag for each child to collect the cards and treats!

Important Dates

- Valentines Party-2/14
- Parent Teacher Conferences-2/23

Outside Clothes

Please continue to pack outdoor clothes on Wednesdays for this month as we will continue outdoor snow play, weather permitting.

Library Days

Don't forget about our classroom library days on Fridays! Kids can check out a bag of books for 1 week and return them the next Friday for a new bag. This is a great way to get variety into their reading.
