One Friend Away Friending Series

Key thought for this series:
Show me your friends and I'll show you your future.

Key thought for today:
You may be one friend away from God changing the course of your life.
Acts 9:26-27

Three different types of friend every person needs.

You need a friend that makes you better. I Samuel 16:12-13

You need a friend who helps you find spiritual strength. I Samuel 23:15-18

You need a friend who tells you the truth.

Will you pray with me?

God I want friends who you use to make me into the person you created me to be, so God I am asking you to give me the heart and determination to pursue those kinds of friendships.

"God I pray that you would stir me to become the kind of friend you want me to be for others around me. Lord may this day be the start of me being a new kind of friend."
