Eat God's Word Every Day

If you eat healthy food every day, your body gets healthier. But what about your spirit? Feed your heart with God's Word to fill it with healthy thoughts, actions, and choices!

Complete this activity with your family!

Ask someone in your family to help you find each verse in the Bible. If it's in there, draw a line from the verse to the mouth to feed the heart. If it's not, mark it out!
