

Valentines DROP OFF

Let us give you a night out

6-8PM, FRIDAY, FEBRUARY 15TH

We want to give parents an opportunity for a night out together. Out in the Foyer there are a couple of sign up sheets. One for parents who would like some time for a Valentine's date, the other for volunteers who could help watch kids the Friday evening.

You can also use your Connection Card to tell us if you could help with the children or if you're interested in dropping your kids off for the evening.
