Key Scripture

Proverbs 12:22

The Lord detests lying lips, but he delights in those who tell the truth.

Why do we lie?

There is nothing that will destroy good community, good family and good relationships faster than lies.

Paul reminds the Ephesians who they are. Ephesians 4:21-25

They are not liars anymore...

Jesus calls us to truthful living. John 17:21

Oneness is the goal.

The Devil's Plan:

Get you to lie.

Get you to lie to yourself.

Get you to live the lie.

Lying is no way to live.

God's Plan:

Jesus says that the Truth sets us free.

Freedom from our lies happens in two steps.

First we confess to Jesus.

Second we confess to someone else.

Are you carrying a load of guilt or shame today because of your lies?

Are you ready to take the first step towards freedom?
