

**Sermon Title: Racism Reconciled**  
**Sermon Series: How to Neighbor, 1 of 4**

### **Key Scripture**

Galatians 3:28

There is no longer Jew or Gentile, slave or free, male and female. For you are all one in Christ Jesus.

### **Who do you choose to be a neighbor to?**

**The Bible tells us that what identifies us as followers of Jesus is that we Love God and Love People.**

Who is my neighbor? Luke 10:30-37

**Being a good neighbor to those who are like us... that is what the world does. Being a good neighbor to those who are not like us, even to our enemies, that is what we do.**

### **How to be a good Neighbor?**

See yourself in them.

Think of them as "us" not "them".

**Remember Jesus has been your good neighbor.**

Jesus thought of us as "us" not "them".

**Go do the same to others as Jesus has done for you.**
