

Special Camp is...

Special Camp is for those with intellectual disabilities. It is a great opportunity for them to experience the unique atmosphere of camping. We typically have around 80 campers each summer. We enjoy having campers from across the states of Iowa and Minnesota.

Our staff and nurses have volunteered for multiple years and offer a great level of experience. They show the love of Christ as they help campers through the different activities.

Camp is fun, we love to share that with our campers through the various activities. Chapel, softball, basketball, swimming, pontoon boat rides, crafts, singing, Bible lessons, and carpetball are just a few of the favorites.
