

2027 Mission Trip

Youth Participants ❤️ Adult Leaders ❤️ Parent Participants

Liberty Christian Church's Family Ministry plans to offer an international mission trip for high school youth every four years. This ensures that all high school youth are given the opportunity to go on an international mission trip.

As such, there will be two mission trips offered during the Summer of 2027.

If a participant fails to meet a deadline without making prior arrangements with the Family Life Minister, **their mission trip spot may be forfeited, along with any deposit or payments already made.**

Thank you for understanding that mission trip planning begins approximately **12 months in advance**. Meeting established deadlines is essential to ensure that the church can make timely reservations, pay required deposits, secure transportation and lodging, and manage other trip-related expenses. Your commitment to meeting deadlines helps us plan responsibly and provide the best possible mission trip experience for everyone.

Use the QR Code to register! You can pay your deposit and scheduled payments via Venmo (@LCCDOC), cash, or check. If paying with cash or check, please indicate that it is for the mission trip and your youth's name(s).
