CARING NETWORK VIRTUAL BANQUET: October 22, 2020

SPEAKER: DR. DAVID JEREMIAH, pastor of Shadow Mountain Community Church, author of 40+ books and host of Turning Point Ministries. Contact a Right to Life Committee member.

\*\*\*Due to the Phase 4 Illinois Reopening Plan which limits event attendees to 50 people, Drury Lane will be unable to host Caring Network's Annual Banquet this fall. Churches are being asked to consider holding a "virtual banquet" of up to 50 attendees to watch the event via livestream. Faith will be hosting a "virtual" banquet this year. Pray that COVID-19 numbers downtrend so that this important fundraising event will go forward this year.\*\*\*

## Did you know that......

\*2 out of 5 women who have had abortions were attending church at the time of their first abortion?

\*restaurants, churches, golf courses, beauty salons, etc. were all closed for health reasons, but Planned Parenthood and other abortion clinics were seen as "essential"?

\*there has been a 40% increase in calls to the CareNet hotline during the COVID-19 crisis?

\*Planned Parenthood applied for stimulus money from the Paycheck Protection Program meant to help small businesses stay afloat? They received \$80 million! The government wants the \$ back!

\*a "COVID baby boom" is expected, and sadly, it's more likely more babies will be aborted?

\*being pro life means supporting the rights of the unborn, and also the disabled and elderly?
\*an abortion law protecting the unborn was just overturned in the state of Georgia which makes
Hollywood's film crews happy but the Governor of Georgia more determined to fight back with an appeal?

# Inform yourself through the following sites......

On July 2nd, Illinois Right to Life Action sent a letter containing information on the following "reckless and life-negating" bills:

HB 5506-would require crisis pregnancy centers to post information about free/low-cost abortions, and the phone numbers, to women seeking help

HB 5656-would amend Insurance Code to require coverage of abortions even when "pregnancy-related benefits aren't covered cont...

REMEMBER: On June 12, 2019, Governor Priztker signed the Reproductive Health Act, the "most lethal and egregious piece of legislation our state has ever seen". This should put you on the defense! Right? However, we need to be on the "offense" as well! Some of Illinois' lawmakers and lobbyists are proposing the following, even trying to repeal the Reproductive Health Act!!!

HB 4304-- would require that babies born alive after botched abortions would have the same rights as anyone else born under Illinois law HB 5296-- would ban partial birth abortions in the state of Illinois HB 5254-- would allow taxpayers to deduct contributions off their taxable income if the donation was to a crisis pregnancy center HB 3850 & SB 3863-- would repeal the massive abortion bill known as the Reproductive Health Act

supporting it through indifference and being deceived by pro abortion celebrities and politicians!"
...then you probably have these conscientious questions come to mind...

- 1. What can we do as Christians to take a stronger stand for pro life issues?
- 2. How can Faith CRC be a place of hope, of help and healing for those facing an unplanned pregnancy, or compassionately support the disabled and elderly?
- 3. How do the Biblical tenets on Faith CRC's bulletin and incorporated into our services ("Experience God's Word, Express God's Love, Equip God's People") apply to pro life?

#### The answers:

- A. PROMOTE PRO LIFE POLITICIANS (see attached list for voting)
- B. SAVE THE UNBORN, PROTECT THE DISABLED, SUPPORT THE ELDERLY
- C. EDUCATE YOURSELF REGARDING PRO LIFE ISSUES AND HOW YOU CAN HELP Consider viewing "Making Life Disciples" - an online course offered by Care-Net. If you are interested in joining this study speak with a Faith Right to Life committee member. (Names listed on last page.)

Thank you Faith CRC for the tremendous response to the Drive-Up-Drop-Off
Diaper Drive for Caring Network on May 23rd during which around \$1,000 in products were donated!

\*\*\*Really appreciated by Caring Network!\*\*\*

Special "shout-out" to our Faith CRC office assistant Ashley who handled all the "drops" at church that day! Thank You!!!

"The word of the Lord came to me, saying, {Do we listen?}

'Before I formed you in the womb I knew you, {He is our Creator!}

Before you were born I set you apart; {We are chosen by Him!}

I appointed you as a prophet to the nations...... {To speak/vote!}

You must go to everyone I send you to and say whatever I command you.

Do not be afraid of them, for I am with you and will rescue you....'"

These words apply to us TODAY!
