Your life matters, whether you realize it or not. You were made for more than just living out your years. You are called to step into God’s greater plan for your life. The first four parts of this conversation will focus on Ephesians 4 and will help you not only realize God’s kingdom plan, but help you step into it. Then on the final week we will partake in communion like never before and celebrate God’s plan and design for each and every one of us.
