

# Spiritual Life Credits

Purpose: To encourage involvement in all aspects of our ministry and the congregation.

One will earn spiritual life credits by attending events focused on building up one's faith such as bible class, devo, Acts of Worship, or a bible study.

One can also earn spiritual life credits by speaking at devotionals and helping with the worship in Wednesday night youth class.

Spiritual life credits are only required for the following items.

Events that will require spiritual life credits:

Mission Trip – 90 spiritual life credits

Special Summer Trip – 125 spiritual life credits

Camp assistance – 150 spiritual life credits

This is not an exact system, but rather is meant to encourage greater participation within our ministry. Our hope is that we can all grow in our faith journeys by being a community that spends time together. I reserve the right to make exceptions when necessary.
