**Appleton Christmas Parade:** All St. Paul School and ECC students are invited to participate in this year's Appleton Christmas Parade! Our school will once again be sponsoring a float. If you are new to our school or haven't participated in the past, like previous years we will be a "live nativity", with our younger students riding on the float dressed as stable animals and our older students walking before or after the float dressed as angels, wise men, and shepherds. Joseph and Mary will also be on the float under our stable.

The parade will be on the evening of Tuesday, November 26th. All costumes will be provided. If your child/children would like to participate, please e-mail their name and grade to Anne McCray at [the4mccrays@gmail.com](mailto:the4mccrays@gmail.com) or call her (920-843-3235) no later than Tuesday, November 19th. Costumes will be handed out after school on 11/21-22. Any questions . . . please ask!

**Police Lights of Christmas – Culver's Day TOMORROW 10/23!** St. Paul School has been chosen to partner with the 'Police Lights of Christmas' program this year. This program raises funds that allow police officers to hand out gift cards during the Christmas season to those in need. Their program coordinator will be purchasing scrip cards through St. Paul, allowing us the rebate percentage to benefit our scrip/tuition assistance program. The more money the program raises, the more they can purchase in scrip cards. One of the best ways that our school/church families can get involved is on Culver's Day 10/23/19. All of the area Culver's donate 10% of the sales from the whole day (15 locations in NE Wisconsin). The more people that get out to Culver's that day – the more money the coordinator will need to turn into gift cards!! Last year Culver's Day alone brought in just over \$20,000 for the program. Please add this day to your calendar and consider participating. Note this is not St. Paul Night at Culver's, but we would like to assist the 'Police Lights of Christmas' program by urging our families to participate in Culver's day on 10/23 because again, the more money they raise, the more scrip cards they may purchase from St. Paul and benefit our whole community. And who doesn't love a good Culver's meal?! (Remember to purchase your Culver's scrip in the office before you go!)

**Have you ever wondered what a student with dyslexia experiences?** If you answered yes, then you must come to this event at St. Matthew Lutheran Church on October 30 6:00-8:00 PM (see flyer). This will be an interactive evening with different stations to simulate what a student with dyslexia sees, hears, reads, and even writes. If you suspect your student may have dyslexia, don't miss this event. Your evening will be eye-opening, you will get your questions answered, and you will learn how to support your student. If you are an adult, parent, teacher, friend, or family member, you are welcome to this event. You will walk away with something valuable, no matter your background. Please note - this event is intended for adults only. This event is provided by Dyslexia Reading Connections and Bright Young Dyslexics.
