If you would like to purchase one in memory of or in honor of someone, or 'just because', please contact the school office (733-9061 or office@stpaulappletonwi.com).

Donations to the altar flower fund are appreciated as well, and can also be made in memory of loved ones.

Delivery people can be picked up the cookie tins tomorrow morning after 11:00 on the school stage. Join us for worship and fellowship!

Missionary Children Christmas Cards: There are 14 overseas Missionary children attending school in the USA, either high school or college. There are some that may not be able to go back home for Christmas. Our St. Paul LWMS group would like to bring a little cheer to these young people. We will be sending Christmas cards to all of them and would like our St. Paul members to help. We thought it would be meaningful to connect with them so they know there are brothers and sisters in Christ thinking about them at this joyous time of the year. Look for the LWMS Missionary Children Christmas Card display on our bulletin board in the church basement. There will a clear pocket filled with pre-addressed Christmas cards for each of the Missionary children. Please consider taking a card from the display and sending a Christmas message to one of young people. Just as it makes our day when we receive a Christmas card, these children will be happy to hear from you and know a fellow Christian is thinking about them. Sending the card is enough, but feel free to add a gift card if you wish. Most importantly, keep these young people in your prayers as they complete their education in the USA, far from their home and family. Thank you for supporting our world missionaries and their families!

Dear members of St. Paul,

Did you know that there is a very significant birthday approaching? No, it's not Pastor Frey's, or even the synod's; it's our organ's! On February 28th, 1932, the new Kilgen organ was dedicated to the glory of God as part of St. Paul's twenty-fifth anniversary celebration. That means our organ is coming up on its ninetieth birthday! For ninety years this congregation has supported the use of and has been edified by this wonderful instrument in weekly worship. As some of you may remember, a little after the organ's sixtieth birthday, there was a "makeover", and it was equipped with new and/or repaired pipes. The '95 refurbishing is a blessing that we still treasure today.

So here we are, thirty years later, and we are finding that the lovely Kilgen/Taylor needs some work; a "surgery", if you will! Like most surgeries, there will be an expense. Phil Swartz and Associates estimates that it will cost about \$35,000 to update and repair the current problems we are experiencing. The recommendation is to outfit our organ with a new console, which includes new keys (the 1932 ivories are chipped and damaged), a new memory bank, and sound enhancements. Basically, this is a way in which to best preserve the pipe organ sound with convenient, updated electronics. Phil estimates that it will take about five weeks for the repair process. What a great birthday gift that would be to complete this by Sunday, February 27, 2022, one day shy of the 1932 dedication date!

It is evident that having quality music in our sanctuary is important to this congregation. Over the years, this church has invested in instrumental and choir music, handbells, chimes, and most recently, in the purchase of the beautiful grand piano in front. Now it is time to give attention to our ninety-year-old, so that her music may continue to fill our hearts and souls for generations to come. Prayerfully consider supporting this investment in worship.

Thank you,
Claire Rehberger, School Worship Coordinator

***There's nothing as soothing
to the soul,
than the tones
of an organ of old.
By whispering a prayer
with celestial sound,
we catch a glimpse
of heaven around.

Welcome

In an age of anxiety we still believe that peace comes from Jesus Christ, the Son of God.

In an age of confusion we still believe that the Bible is the word of God, inerrant and infallible.

In an age of doubt we still believe that Jesus was conceived by the Holy Spirit, and born of the virgin Mary.

In an age of guilt we still believe that Jesus died on the cross to pay for the sins of the world, bringing complete pardon and joy to all believers.

In an age of reason we still believe that God is at work in the sacraments of Holy Baptism and Holy Communion.

In an age of change we still believe in one unchanging God: Father, Son and Holy Spirit.

Whether you are a first time visitor or returning guest, we are delighted to share our worship with you. Please come back and worship with us again.
