Way to Go Harper! Harper Gunville participated in the [Wisconsin Land + Water](#) poster and speech contest. Not only did her speech make it through the local area contest, but it won first place in Outagamie County. Last week she attended the 2026 Wisconsin State Conservation Awareness Speaking Contest, sponsored by WI Land + Water at Chula Vista Resort in the Wisconsin Dells. There she competed in the junior division against six other contestants from all over Wisconsin. She did an amazing job presenting her speech and bringing awareness about pollutants and what we can do here in our area for the Fox River. Congratulations to Harper on her accomplishments!

PTO Meeting: There was a PTO (Parent/Teacher Organization) meeting last week. Please review the [ATTACHED MINUTES](#) for the meeting. If you would like to lead or assist with any remaining PTO events or activities for this school year, please contact Becky Rausch at pto@stpaulappletonwi.com. If you have any suggestions to help lead or coordinate activities for the summer or the upcoming school year, please contact Chad Miller or Jason Kelley and they will take proposals to the LES Board for consideration.

We are seeking a coordinator or coordinators for PTO for the 2026-2027 school year. If you are interested, please contact Chad Miller or Jason Kelley. If we do not have a coordinator for our PTO, there will be no official PTO organization for events and activities for our St. Paul Family for the upcoming school year.
