School Accreditation Updates: Prior to Spring Break, we hosted our school accreditation visitation team. Thank you to those who served on the steering committee and subcommittees over this school year to validate the 241 standards for our school accreditation! This process demonstrated how blessed we are at St. Paul Lutheran School! God has definitely blessed our school over the past 143 years! The process also showed us areas that we can improve as we partner with you as we train Jesus' little lambs for Time and Eternity. **Our school received a score of 98%.** We have been reaccredited through WELSSA and NCPSA. You may view the Recommendations & Commendations by clicking on this [LINK](#). If you missed the school accreditation oral report, you can view a recording by clicking on this [LINK](#). The recommendations will be included in a 5-year school improvement plan for our school accreditation.
