31 ECC children are signed up for summer. 5 infants will be coming in the near future. Expenditure for new LED lights in school and gym was approved for \$4,705. New exterior gym doors are on order.

May income is favorable. Offerings are strong. The PPP loan was a tremendous help. The final School Choice Payment came in. August 8<sup>th</sup> is the start of the school choice audit. We want to have the PPP loan cleared by that time.

A cleaning machine for school is on order and should arrive in August.

In consideration of staff parking issues, we were informed parking ramp passes for staff would cost \$8,000 per year. We will meet with the city to discuss other possible options.

We will hire Hoffman begin work on drawings for the basement classrooms for school and ECC.

Dave Paulson accepted the Secretary role. He needs to be approved at the Voter's meeting.

A letter will be published in the Church News and Parish Herald to promote paying off the ECC loan by October 2021 or sooner. The letter will provide details of how modest increased giving will allow us to achieve that goal. Doing so will free up several thousand dollars a month to return to the ministry.

Our ability to do Facebook livestream during the pandemic shutdown was a tremendous advantage in keeping our congregation and ministry vibrant. It is a great tool to reach people and open doors. We are looking into upgrades for our system to improve the quality of our productions.

Fox Valley Symphony expressed interest in using our church as a venue for a virtual concert. Pastor Frey will keep us informed of any developments.
