Thank you to everyone who helped make the St. Paul VBS a success this year! To Pastor Holtz for his wonderful job coordinating, to all of the volunteers who gave their time, to those who donated snacks and supplies, and to parents who shared their children with us for the week to teach them about 'God's Wonder Lab', we thank each of you. On average, 60 children attended VBS through the school and 30 more in the this year. We feel grateful and blessed to have been able to offer this program in person!

ECC Clothesline: There is a mini clothesline located in the church narthex with wish list items for the new ECC expansion classrooms. If you are

interested in donating, please help yourself to an item from the clothesline. Each pinned article has a photo of the item needed and ordering options. Some things have already been ordered, but need to be funded (this is specified on those items). If you happen to find the requested item cheaper elsewhere – great! Please contact Candy Schulz for any questions and thank you for considering!

Apple Valley Food Pantry: The next collection for the food pantry is the weekend of August 7th and 8th. The following is a list of items currently in need of at the pantry: canned fruit cocktail/mixed fruit, applesauce, canned pasta, boxed potato side dishes, cream of chicken soup, canned corn (very low at this time), bar soap and hair conditioner (we have plenty of shampoos at this time).

If you are, or if you know of someone who is, currently having difficulty making ends meet, please contact your pastor for more information on obtaining assistance from the food pantry, even if it is for a short period of time. We are here to help ease your situation. Thank you for your continued support and prayers!
