**A Note to the members of St. Paul from Amanda at the Red Cross:** I wanted to take a moment to reach out and personally thank you for the opportunity to partner with St Paul's National Night Out activities. We were thrilled to be a part of that service to others!

With your help and support, we were able to collect 18 pints of blood, potentially saving up to 54 lives as a result. How wonderful! 😊 All of the St. Paul donors were entered into a drawing for a \$50 Kwik Trip card from the Red Cross. The winner of the card is Miss Lydia Feidt!

We also received some very nice feedback from donors that day as well, commenting about how great it was that we were there. A couple of donors also asked if we'd be returning at some point in the near future, to partner on another blood drive and we hope to do just that! Thank you again for your partnership!

**Apple Valley Food Pantry:** The September collection for the pantry will be the weekend of September 11 and 12, 2021. Also, if you know of anyone in need of assistance, or you are in need of assistance, please contact your pastor. We are here to help during times of need. As always, thank you for your generosity!

## National Night Out Wrap-Up

Many “thank you’s” are in order for those who played a role in our successful National Night Out (NNO) event on August 3. This was our seventh NNO event. The event was again well-attended, and it appeared all in attendance had a fun time. Many member families and guests from our surrounding neighborhoods attended.

First, thanks be to God, for all good things come from Him. We thank Him for the nation we live in wherein we can worship freely. We thank Him for our beautiful facilities, our capable and dedicated staff, and our caring and supportive member family.

We also thank:

- Our members who attended, and especially to those who introduced unchurched friends to our congregation through this event.
- Our many volunteers. We, again, had a wonderful group of volunteers, which is essential to the success of this event. Numerous volunteers worked two shifts in order to make sure everything ran well.
- Our community business organizations who contributed money for prizes and supplies, and also materials. (See the thank you list that follows, which is also posted on our website.)
- Our Appleton police and fire departments for again being part of our event. It’s great that they visit and talk with us each year, and allow the kids to check out their vehicles.

***Please be sure to thank our National Night Out prize and materials sponsors as you shop, dine and recreate.***
