From the Family of Jim Verbeten:

Dear Friends of St. Paul,

Words cannot express our gratitude for all the prayers, visits, food, cards, flowers and phone calls while Jim was ill. Your kindness touched us deeply. We are comforted knowing Jim is with Jesus and no longer in pain.

National Night Out Wrap-Up: God blessed our congregation with another wonderful National Night Out event, this past Tuesday. This was our eighth National Night Out event, and perhaps our best turnout yet. Estimates are that perhaps 400, or more, members, guests and families of our surrounding neighborhoods attended the event. What a wonderful opportunity to introduce individuals and families to our congregation and to build relationships!

We want to thank all who helped to again make this outreach and fellowship event a success. Our volunteers did an awesome job! Without your commitment and the gifts of your time and talents this event would not be possible.

We also want to thank all who attended, and especially those who invited 'FRANS' who do not have a church home. Through your efforts those you know were introduced to our St. Paul family, which is a step toward knowing Jesus as our Lord and Savior. May God continue to bless the work of our congregation, and the work of the invisible church throughout the world, to share the good news of the gospel. To God be the glory!

Everyone Outreach: Have you ever thought, “I wish our congregation was more outreach-minded”? If so, you’re not alone.

For this reason, St. Paul Lutheran Church will be participating in an exciting new program called Everyone Outreach. The program will help us build a culture of outreach so that every ministry and every member is encouraged and equipped to reach the lost in our community.

Please mark your calendars for October 8 - 9, when we will kick off the program with a 2-day workshop.

If you want to learn more about the Everyone Outreach program, visit everyoneoutreach.com.

Look for more information about Everyone Outreach as we get closer to the workshop!
