**Additional Sun. Worship Service Added:**

The Church Council decided to add a third worship service on Sunday mornings. That third worship service will begin on September 13. Starting that Sunday our Worship Service Schedule will be 8:00 a.m., 9:15 a.m., and 10:30 a.m. (Monday worship will continue to start at 6:00 p.m.). *By mandate of the governor, face coverings are to be worn indoors.*

The reasons for this additional service include:

1. We have been close to reaching our maximum capacity (CDC recommendation of 25% of capacity with 6 feet of social distancing between family groups) on some Sunday worship services this summer, especially on communion Sundays.
2. Church leadership was hopeful CDC recommendations would be bumped up to 50% of capacity by this Fall, but that seems unlikely.
3. Church leadership anticipates an increase in Sunday worship attendance that typically happens after Labor Day.

This additional Sunday Worship service will be during our normal Sunday Bible Class and Sunday School time. For the time being (starting September 13) Sunday Bible Class will not be offered. We will be offering Wednesday night Bible Class and Thursday morning Bible Class. Digital/Online Bible Classes will likely still be offered. We are hoping to still offer on-site/in-person Sunday School starting September 13.

Your pastors and the Spiritual Growth Board will reevaluate this new Sunday schedule at their October 6th meeting.

If you have questions about any of the above or would like to offer feedback on how our current in-person worship services are working, please contact Pastors Frey or Holtz, or Spiritual Growth Board Chairman, Chad Woehler (bgwheeler72@gmail.com).
