

Ever Wers to Important Questions.

September 2022

How can I know the Bible is true?

Have a headache? Take two leeches and call me in the morning. If you consult a medical text from a couple of centuries ago, that may be the remedy you find. Today a textbook would probably tell you to pop a couple of aspirin. Tomorrow... Lasers? Magnetics? Who knows what advancements or discoveries will change how a simple headache is treated? It is amazing how much the science of medicine has changed even over the course of the last hundred years. How will we ever know when we have really found the answers?

66 – 40 – 1500 – 1: What do those numbers mean? The Bible is made up of 66 books that were written by 40 writers over the course of 1500 years. But in all of those books, only one message is found. The message? We have a problem (and it isn't a simple headache). Our problem is our sin and the guilt that it brings. That one message is also about the remedy for our problem—God sent Jesus, a perfect Savior, to die for our sin and guilt. Now believers in Jesus have the promise of eternal life in heaven. That simple message of salvation is repeated throughout the Bible, from Moses' writing in

Genesis to the writings of the apostle John in Revelation. How amazing that so many different writers from different times record a single message that reveals the world's only true Savior from sin!

Maybe it isn't all that amazing. "For prophecy never had its origin in the human will, but prophets, through humans, spoke from God as they were carried along by the Holy Spirit" (2 Peter 1:21). The very same God who loved us enough to send his own Son to die for us made sure that we would know about Jesus by having his message written down. Because God had men record his Word, the Bible is unlike any other book. We are told that "all Scripture is God-breathed" (2 Timothy 3:16). God himself spoke through, breathed into these writers, so their words are really God's Word. Since the Bible is God's Word, we can trust that it is true.

God is speaking to us through the words that he caused to be written in the Bible. Join us for a Bible Class starting this Fall where we gather to hear what important things he has to say to all of us.

Worship Schedule

Sunday services: 8:00 a.m. & 9:30 a.m. (*through 9/4) Monday evenings: 6:00 p.m.

Note that beginning Sunday, 9/11, our summer service schedule ends. Sunday services will be at 8:00 a.m. and 10:30 a.m. with Sunday School and Bible Class between. Our 8am Sunday services are on facebook live and can also be heard on WNAM 1280 AM.

'HARD TRUTH' Series Continues: "Jesus went through the towns and villages, teaching as he made his way to Jerusalem" (Luke 13:22). Jesus knows that when he gets to Jerusalem, he is going to die. If you expect Jesus to use these final teaching opportunities to share happy thoughts, you don't know him well. With a sense of extreme urgency, Jesus shares truths we need to hear, even if

we do not want to hear them. As Jesus teaches hard truth, he challenges conventional wisdom. He reverses the normal and natural order of things. This should not surprise us, considering this Teacher's life and work are the opposite of what one would expect. When the truth is hard to hear, the first temptation is to deny it. We cannot do that with Jesus' teaching, for he never lies. When the truth is hard to hear, the second temptation is to simply

ignore it. To do that with Jesus is to court eternal death. Thus, Jesus' words contain an urgent warning: Listen! Take to heart what Jesus says! For his Word, though it contains hard truth, gives eternal life.

9/1, 9/4	Put down what you love; pick up what

A message from Mark Henrich - Hope, Toronto, Ontario, Canada:

We are located in Toronto, Ontario, Canada—a city that is now the 4th largest in North America. Toronto is called one of the most international cities in the world because first-generation immigrants comprise approximately 50 percent of the population.

Our congregation at Hope reflects our city. We are a family of 200+ brothers and sisters in Christ from over 25 different countries!

This 'international flavor' can be readily experienced in the beautiful steel pan orchestra that plays every Sunday – and also in the wonderful variety of foods that are a part of our weekly fellowship after church (in non-pandemic times).

But more prized than music and food variety is this: brothers and sisters united in faith, eager to grow in Christ and eager to share the message of 'grace alone' in a city where the mission field is ripe for harvest.

Register today for the Everyone Outreach workshop!
St. Paul Lutheran Church is participating in an exciting new program called Everyone Outreach. The program will help us build a culture of outreach so that every ministry and every member is encouraged and equipped to reach the lost in our community. Everyone Outreach kicks off with a 2-day workshop on Saturday, October 8 (8 a.m. - Noon) and Sunday, October 9 (12:30 - 4:30 p.m. at the School Gym. The interactive workshop will help us discover some of our hidden thought habits that may keep us from being active in outreach. Then, we will learn ways to change those thought habits so that, as a result, our outreach actions change as well. Each participant will leave the workshop with sustainable ways to personally help build our congregation's outreach culture.

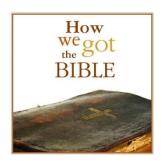

To register for the workshop, Fill out this Online Registration Form or a paper copy (available in the Church News or forms may also be found on the desk in the church narthex). Parents can sign up for child care on the Registration Form. Questions?

Visit <u>everyoneoutreach.com</u> or contact Pastor Matt Holtz at <u>mholtz@stpaulappletonwi.com</u>. We encourage every member of our congregation to attend the workshop and participate. In fact, the more members that attend, the more likely it is that our culture shift will be successful!

New Thursday Morning Bible Class

As God's written Word, the 66 books of the Old and New Testaments are the source of his revelation to man.

This Bible study will survey the historical development, textual

transmission, and publication history of the Bible as it has come down to us through the centuries. With special emphasis on God's divine activity through the Spiritinspired authors of the Old and New Testaments, this study will show how the Bible is his book, his Word, revealed to man that they might know the way of salvation as revealed by the prophets and made real in the flesh through the life, death, and resurrection of God's son, Jesus Christ.

This Bible study begins with a discussion on the spiritual significance of the Bible and what it means to claim that Scripture is the Word of God. Lessons to follow consider the function of divine inspiration against contemporary attacks claiming the Bible to be a product of man or later ecumenical councils. The Bible study closes with a look at the development of the English Bible and some of the heroic pains required of men and women who gave everything to get God's message into print. Throughout each chapter, Web links offer interesting jumping-off points for users to glean more information.

This class will start on Thursday, September 8 at 10 a.m. in the church basement.

ECC Update

Construction is still going strong with the office spaces remodel. We are now in the painting phase and we are excited to see it all come together! We are still on track to begin our 3K and 4K school years on September 19th and look forward to getting everything operating as "normal" again.

Summer has been busy for us and it seems strange to think of summer as nearly over already! We were able to bring back the Kona Ice truck a couple of times again this year, and that is always a crowd pleaser. We have been able to enjoy a variety of water/sprinkler days across all ages and the older children were able to have a few "bike days" thrown in. For bike day, part of the parking lot was closed off and the children brought their bikes, trikes, scooters, etc. from home to ride around on. The teachers in our older rooms also took one week and created their own mini "vbs" of sorts. They had a full scale week of activities, songs, skits, and crafts built around 5 Bible stories as their lessons for the week. The children thoroughly enjoyed their time that week!

We are looking forward to fall and the start of 3K/4K. We are excited to welcome new families to our ECC family in those rooms as well as some new families of infants. The ECC continues to operate at capacity in our younger rooms and close to capacity in our older rooms. Our school age program is the biggest program we have ever had and is mostly at capacity. To God be the glory!

We have recently hired someone for the cook position and also one of our floater/assistant positions. We still have several employment opportunities available, so please share your love of St. Paul and let people know about our job openings. We are looking for great caregivers to join our ECC family!

Ten Lies about God

"God just wants me to be happy." "God helps those who help themselves." How many times have you heard these sayings in secular culture or from a professing Christian? Despite their catchy, positive appeal, these sayings and others like them have dangerous implications for Christian theology. In 10 Lies About God, we will see how these inaccurate beliefs distort your relationship with God and offers loving, Bible-based corrections that participants can use in response.
