How it works: Each classroom has a designated jar at the Harris St. entrance. Students will put pennies and bills into their own classroom jars to earn positive points. Students will put silver coins into other classroom's jars to give them negative points. The class with the most points wins a pajama and movie day!

BONUS: Q90FM will triple match every cent we raise in our Penny War, using the total to place a SCRIP order from St. Paul for Police Lights gift cards!
