

## DETAILED SIGNUP INSTRUCTIONS

The Raise Right Fundraising by Shop with Scrip website is: [www.shopwithscrip.com](http://www.shopwithscrip.com)

### **Raise Right by Shop With Scrip Program Information**

Shop With Scrip is an organization in Michigan that sells gift cards to families and friends of not-for-profit schools. Gift cards offered include hundreds of shops, restaurants, and services (e.g. Target, Panera Bread, Home Depot, Walmart, Amazon.com, and many more!). Because the benefit goes to not-for-profit organizations, these businesses agree to pay a portion of the gift card sales back to the school. Each gift card purchase earns a rebate that is paid directly to the school. It is your choice whether to use the credit you earn as a tuition/daycare expense reduction or donate it back to the school. The rebate percentage varies by store. Last year St. Paul families as well as the school earned several thousand dollars in rebates – you, too, can be part of that success!

**Many of the cards are available in e-card or reload format so that you can get them right away.** More companies are offering this option every month so be sure to log in to the website or app to see if the places you shop are available as e-cards or reloadable gift cards. With just a couple of steps, you can earn tuition money through your everyday shopping.

St. Paul will also maintain a selection of physical cards available for immediate purchase in the school office. So if you prefer using physical cards, want to give them as a gift, or are not comfortable using the electronic options through the App, just stop by the school office and pick up what you need!

If there are physical cards that you would like to order, but we do not carry in the office, we are happy to order them for you. Just stop in or call/email the office secretaries and they will place your order.

***Currently, we DO NOT participate in the personal online ordering of physical cards. Please only order eGift cards or Reload your current card through the RaiseRight App (more info on that below).***

To find out how RaiseRight by Shop With Scrip can help you, check out [www.shopwithscrip.com](http://www.shopwithscrip.com) and get started. You are able to view the stores and rebates available on their site. Once you are ready to order, you will need to register. Registration instructions are as follows:

### **1. Creating an Account**

Once you've navigated to the website and decided to enroll, go to the App Store or Google Play and download the 'RaiseRight Fundraising' App. Click the 'Join a Program' Button and enter the enrollment code below.

Our unique enrollment code is: **782F718D4891**

This enrollment code will join your account to the St. Paul School scrip program. Enter the required information to create your account. Please note that you will need to link your bank account or credit card to the app for payment. ***We do not allow participants to purchase online and pay in the office. All transactions must be paid for through your bank account or credit card.*** There are small fees associated with each transaction. Example: \$0.15 per bank account payment or 2.6% fee for paying with credit card.

## **2. Shopping with RaiseRight by Shop With Scrip**

Once you have your account set up and a bank account or credit card linked, you are ready to shop! You can use the search bar to find retailers/restaurants and see what their rebates are. Many will offer bonuses periodically which will be listed on the welcome screen in the app or you can find them online. Click on the heart to add vendors to your 'Favorites' file for easy purchasing. *Be careful when you are ordering.* Please remember to ONLY purchase eGift Cards or reload your current cards from the app. Payment options include bank account or credit card. The 'Pay Coordinator Directly' option is not accepted at St. Paul. Physical gift cards must be ordered through the office.

Once your order is placed through the App, it takes just a moment for your eGift cards to show up in your 'wallet' tab. You can even place your order while in line to check out at the store! Be aware you may need to refresh your screen a few times for it to pop up. Most retailers will be able to scan the barcode from your phone. When you place an order for a Reload on a card, the App will list the typical turnaround for funds to be available on your card. Some may be 24-48 hours; others are a few moments. This is dependent on the retailer/restaurant. Note that the initial card you want to reload must be purchased through the school office from Shop with Scrip.

## **3. When Can I Cash in my Rebate?**

The scrip program at St. Paul runs during our fiscal year from July 1<sup>st</sup> through June 30<sup>th</sup> of the following year. After June 30<sup>th</sup>, the scrip account is closed out and 60% of your total rebate is available for you to use toward your child's school or ECC tuition. The remaining 40% stays in the program to keep it running and to help with tuition assistance or other needs within the school and ECC.

***Thank you for utilizing this great fundraising program! If you have any questions, please stop by the office or email Melissa Volhard for assistance (mvolhard@stpaulappletonwi.com).***
