When dismissed after singing, children will be escorted to their classes.

Grades 1-5—with Sunnie Schearer

Our Sunday School curriculum is *Generations of Grace*. Children learn from the same passage of Scripture in a way that is appropriate for their age levels. Families are encouraged to discuss one passage together weekly to reinforce the Sunday School lesson the children learned.

Active listening guides are at the information table for children who remain with their parents during service.

Do not be anxious about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God.

**FELLOWSHIP OF
INDEPENDENT
REFORMED
EVANGELICALS**

Our church is a FIRE member and each week we choose a FIRE member church to remember in prayer. Please pray for:

**Killeen Bible Church
Killeen, Texas
Pastor Daniel Drake**

Praises:

- The Lord has steadily moved several regular attenders into covenant membership with us. The issue of casual involvement in the church has been a burden for the elders, as we watch casual visitors regularly stick around for months and refuse to become members. By God's grace, the Lord seems to be using our new membership class and renewed emphasis on covenant membership to disciple folks in sound ecclesiology.
- An older gentleman with a Roman Catholic background is professing faith in Christ and wants to be baptized and join the church.
- We've enjoyed unity in the congregation, for which we praise God, especially in these contentious times.

Requests:

- Pray for the elders as we teach and preach God's Word, that we would be filled with the power of the Spirit and that his Word would have success in maturing the flock that has been entrusted to us.
- Prayerlessness appears to be an issue among many in our congregation. Pray that the Lord renew our dependence upon him in prayer, and that this would be displayed in more of our members participating in our prayer meetings.
- We need to begin a new small group in the middle of town to serve our members in that area. Pray that the Lord provides the right leadership to host this endeavor.
- We've been working toward raising up new deacons and elders. This has been a long process with little fruit. Pray that the Lord will call qualified men into these offices for the benefit of the Body.
- Our church is located in a tough subdivision to evangelize. The church has faithfully reached out with the Gospel to them for decades with little fruitfulness. Pray that the Lord gives us favor with our surrounding neighborhoods.

I'm thankful for our FIRE churches and ask for your continued prayer on our behalf!
