

A Bethel Supported International Missionary Will Be Speaking on How Our Support is Helping Children in Guatemala

Steps of Hope is a Christian based learning center in Santa Maria de Jesus, Guatemala. Bethel has supported their comprehensive program for several years via Love Offerings, the Missions' Team operational budget and the dresses and shorts sewn by Bethel sewists.

Here is a great opportunity to learn how our support is helping in very concrete ways to transform the lives of children.

In lieu of her annual visit, Founder, Jessalyn Waddell de Mena will be presenting an update on the Steps of Hope's YouTube channel. It will be broadcast from the Catonsville United Methodist Church in Maryland. Jessalyn will join them live from Guatemala. The event will be available live and recorded on their new YouTube channel.

The event is scheduled for Tuesday, June 23rd at 7:30 pm*
