

# HOPE

A wooden star with warm lights and Christmas ornaments on a wooden surface. The star is made of light-colored wood and has several warm white lights attached to it. The lights are glowing, creating a warm and cozy atmosphere. The star is placed on a wooden surface, and there are several Christmas ornaments scattered around it. The background is dark and out of focus, making the star and lights stand out.

HAVING BEEN JUSTIFIED  
BY HIS GRACE,  
WE MIGHT BECOME HEIRS  
HAVING THE **HOPE**  
OF ETERNAL LIFE

*TITUS 3:7*
