Lifting Christ Up Down Under

August/September 2025

"A Beacon of Hope" - Our Three-Year Anniversary

Terrible weather conditions did not stop us from having a wonderful three-year anniversary on the 24th of August. Over 150 people joined us despite the stormy weather for a special church service and celebration meal. We are so thankful for all God has done in the past three years from our humble beginnings of just two people to our amazing attendance today. We have seen people growing in their faith, souls saved, many following the Lord in believer's baptism, lives changed and so many people faithfully serving each week. We are looking forward to seeing what the Lord will do in the coming years. God is growing his church here! Your faithful giving and prayers helped to make this happen! Thank you so very much for helping us to be a beacon of hope to our community.

R U
OKay?
Day

On the 11th of September over 20 volunteers from our church served over 300 egg and bacon rolls to staff and parents at the local school where we meet. It was a gesture of kindness from our church to our school community as they held their mental health awareness day, R U OK?Day. We also provided games for the children. It was a wonderful opportunity for us to serve and connect with our school community.

Prayer Request

Just a few weeks after Valerie's 60th birthday, she met with her orthopaedic surgeon to discuss the severe pain and difficulty she had been having with her left hand. She had been going to hand therapy for a year now and had injections with no relief. MRI scans revealed that she had severe osteoarthritis and several other issues. Last week she had surgery on her left hand and thumb. The surgeon removed three bones and the inflammation. Please pray for her as she recovers and cannot use her left hand. Thank you!

Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you. - 2 Thessalonians 3:1
