Lifting Christ Up Down Under

November/December 2024

Decisions Being Made

Praise the Lord for such an amazing two months! Six individuals made the decision to follow Jesus Christ as their Lord and Saviour and then follow the Lord in believer's baptism. It was such a wonderful day with over sixty people coming out to support them at the baptism. Then over the following weeks, three young people have come forward and made the decision to follow Jesus Christ as their Lord and Saviour. Please pray for all these individuals as they take the next step in their walk with the Lord.

Special Prayer Request

We now live in one of the highest rental markets in the country. Our landlord is increasing our rent by fifty dollars a week in March and is only giving us a six-month lease this time. He may be selling our home. This is a big increase and there are no homes around us that are any lower in rent. Please pray for our finances and that the landlord does not sell our home.

Ladies Christmas Event

Sixty ladies attended our annual ladies Christmas event. Valerie spoke on "Unwrapping Christmas," focusing on the real gift that Jesus came to give. The women enjoyed a lot of delicious food, laughed through several fun games, sang Christmas carols and had great fellowship with one another. Several first-time guests joined us.

School & Community Outreach

We have had two full months of reaching out to our school, where we meet, and our community. Dwayne and two other men from the church presented the school with a podium they had made for them to use for assemblies and events. We were also able to reach out to our community at a local stakeholders event by providing some games for the children. We had the opportunity there to invite several people to our church. Then this past Sunday, forty-one of our church people came out to sing carols and connect with the residents at our local aged and residential care facility. The staff said this is a big highlight for them.

 Merry Christmas & Happy New Year!
