Reaching Our Community

It may be winter here and the days are often cold and rainy, but that has not stopped us from reaching out to our community. Dwayne began a new leadership series from the book of Nehemiah. We have been seeing new guests join our services almost every week. We had our second youth event of the year in June. It was a wonderful turnout. We had games and food for the young people. One of our youth leaders gave a powerful presentation of the Gospel. It was great to see some young people joining us for the first time. Our next event will be held in October. We have a very special family of 8, who is going to lead our youth group through the remainder of the year!

Growing in the Word

Our men wrapped up their most recent discipleship series with a large feast in July! They will be starting a new series in August. Valerie has over twenty-four women signed up for a new Bible study on Becoming a Woman of Strength. We are so encouraged to see so many men and women seeking to grow in their knowledge of the Bible and desiring to learn more on how to share their faith.

Thank You for Praying!

Valerie's eye evisceration surgery in May was a success! She no longer has the eye pain or severe headaches. The temporary eye looks great. She will be getting her permanent artificial eye later next month. Thanks for praying!

Please be praying for several upcoming events. We will be celebrating our two-year anniversary on the 4th of August. We are hoping for a big turnout as we celebrate God's blessings over the past two years. We also have our Father's Day service and a ladies Spring event coming in September. We also are going to be volunteering at a mental health day at our local public school. Thank you so much!

Finally, brethren, pray for us, that the word of the Lord may have free course, and be glorified, even as it is with you. - 2 Thessalonians 3:1
